

# Suffolk Chapter Renders Appreciation

On July 12, 2011, members of the Suffolk County Chapter presented Pastor Charles "Chip" Froehlich and his wife Kathy, our chapter president, with the framed 26" x 54" needlework piece, *The Creativity Sampler*, cross stitched with Danish flower thread on linen.

The sampler was a thank you for the use of St. Luke Lutheran Church for our monthly stitch-ins and our annual holiday party. Although it took many years to complete, the result is spectacular. Many

thanks to all those who helped stitch this wonderful piece: Susan Auer, Veronica Bertha, Pat Conway, Priscilla DeSaro, Maria Hall, Betty Lombardi, Marjorie Losen, Caren Lucas, Jane McNally, Katie Morrissey, Rosanne Moss, Liz Nields, Margaret O'Brien, Nancy Short, Rita Silver, Dale Sokolow, and Doris Turner.
